Invitation

Greetings from CHRIST (Deemed to be University), DELHI NCR!

Being built on the foundation of holistic education, innovative and progressive curriculum, Christ University has always focused on overall development and quality education. We believe in developing global competencies in students by providing them with ample opportunities and exposure to practical learning.

The University is ecstatic to announce that we will be organising our annual-educational and career guidance fair, DAKSH-2023 in the month of April (15th-16th). The fair is an amalgamation of educational and cultural bonanza focusing on the various opportunities made available to pre-university, undergraduate, and postgraduate students. The fair facilitates students to make informed choices regarding their higher education and explore career options. Through active participation in stalls, dialogues with eminent speakers from various disciplines as well as personalised career counselling sessions, students will be able to learn about various vocations and fields of study they could pursue.

We would like to invite you to the campus to be part of this educational and guidance programme.
